FUN FACTS:

What a comeback! Lane 17 held a 21 point lead after winning the first two games, but led by Jeff (161) and Chanel (119) having the best game of their nights, and Nikki (144) and John (114) doing their part to give their team a 134.5 average score, Lane 16 collectively put up the best team score of the night in game 3 (538) to finish 96 points ahead.

James and Myles each gobbled up a Turkey.

Linda did not have the lowest single game score of the night. Only the lowest overall score, lowest average score and the lowest single game score in games 2 and 3. She hot though.

Spousal abuse:

- Chanel beat John 2 of 3 games
- Lisa beat Brian 2 of 3 games (and total / average)
- Joce beat James 1 of 3
- Nikki beat Jeff 1 of 3
- Jessica couldn't play due to wrist injury. Unconfirmed rumors that it was faked to avoid embarrassing Tim in front of the team.

Better and better game scores:

- Lane 18 as a team
- Brian
- Lisa
- Myles
- Jeff
- Marnie
